THE PALMETTO CLUB'S MEETING.

Mrs. Hotchkiss Discusses Sun Spots. A Series of Lectures to Be Given, Beginning January 28.

The regular semi-monthly meeting of the Palmetto club was held at the club rooms on Thursday afternoon and was well attended. Much interest was manifested in the topics discussed and reflected great credit on those who participated.

Preliminary to the opening of the present, Mrs. Weaver took occasion to announce that Mrs. Loretta Mason, of Macetta, N. Y., would give a series of lectures, commencing January 28, under the auspices of the club. Season tickets, transferable to any member of a family, will be furnished for \$2.00; or a single admission ticket for 50 cents.

The regular program was initiated by two musical selections by Mr. Seigstak on the flute, with accompaniment on the piano by Miss Robinson.

Mrs. Julia S. Hotchkiss gave a deeply interesting and instructive talk on "Sun Spots—Their Cause and Effect," illustrated with drawings made by the speaker. The discourse of Mrs. Hotchkiss showed exhaustive research and study of her subject, and was listened to with rapt attention by her hearers.

Mrs. Moore then sang in her charming and happy way three solos, with piano accompaniment by Miss Robinson.

Mrs. Ruger announced that one day would be set apart for amusement solely—St. Valentine's day, February 14. Each member of the club is to send to Mrs. J. N. River, who is to be postmistress of the day, an original valentine. Members bringing friends are requested to send one for each friend.

Herr Karl Grenauer, Cello Virtuoso, and Miss Elizabeth Grenauer, Soprano, will give a recital Monday evening, February 11th, at eight o'clock, at the Palmetto Club room, Orange avenue.

The ladies of the club are very desirous of reducing the admission to seventy-five cents and the only way of doing it is to know very soon how many will pledge themselves to take tickets at that price. If any one wishing them will either telephone or send a postal to Mrs. Huston, corner Beach and Live Oak streets, it will be appreciated, and make it possible for a greater number of people to enjoy a very delightful and profitable evening, as those who heard Herr Grenauer last winter can testify. It is hoped our citizens and guests will be well represented.
